

Dog Grooming

Welcome to Debi's Doggy Pampering Pampering Parlour

We now provide full facilities covering every aspect of cleaning and grooming your dog.

All you have to do is drop your dog off with us in the morning and let us do the rest.

Your pet can then have the full range of treatments or just be groomed or bathed.

We can do everything from washing, trimming, grooming and clipping and our aim is to ensure that your dog enjoys the experience as much as you will enjoy your dog's appearance.
