

General Information

Our kennel and cattery assistants (Debi..Manager, Nina...second in command, Lee, the big strong dog walker.) are all family members with the same devotion to your animals as we have.We also have Adrian and shauna who helps on a weekend and a little through the week. Their aim is to make sure that each individual animal is well cared for and enjoys their stay with us.

We pride ourselves on our flexibility to fit in the arrangements that you want for your pets, which is why we feed them in just the same way as you do at home.

We can also accommodate two of your pets sharing the same kennel if that's how they (and you) will feel most comfortable and enjoy their stay.

IF YOU WOULD LIKE TO COME AND VISIT US, YOU CAN COME ANY DAY, BUT BETWEEN THE HOURS OF 1PM - 3PM ARE BEST FOR US. SO WE CAN SPEND A LITTLE BIT MORE TIME WITH YOU.

All prices below are inclusive of v.a.t and insurance etc.....
